**Summary: LATE FILED.** On April 19, 2001, Judy Peck, State Regulatory Administrator, Sempra Energy, met with Robert Kinosian, advisor to Cmmr. Lynch, in San Francisco. Also present were Joy Yamagata, Regulatory Case Administrator, and Leslie Katz, Regulatory Affairs Regional Vice President, of Sempra Energy, and Athena Besa, Planning and Analysis Manager of San Diego Gas & Electric Company (SDG&E). Written material (attached to the notice) was used. Peck stated that SDG&E has been so successful in implementing their Summer Initiative and 2001 Energy Efficiency Programs that they are running out of funding. Peck pointed out that SDG&E could save an additional 46 MWs by year-end if additional funds were made available. Peck expressed concern that a delay in additional funding for these programs would disrupt program momentum and create customer confusion. Besa stated the month they anticipate programs to be sold out if additional funding is not provided.
